Response to Office Action

This communication is responsive to the Office Action dated September 1, 2004.

Reconsideration of the above-identified application is respectfully requested.

Claims 1-30 stand rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-6 of U.S. Patent No. 6,746,761. Accordingly, applicants have submitted herewith a Terminal Disclaimer to obviate this rejection.

Attorney Docket No.: FMCE-P079A

In light of the foregoing, claims 1 – 30 are submitted as allowable.

Favorable action is solicited.

Respectfully submitted,

Henry C. Query, Jr.
